

MATERIAL SAFETY DATA SHEET

Product: Recycled Fibre Pulp Sludge
Date: 15 March 2011
Page 1 of 3

Company Details

Name: Mondi Packaging South Africa
Address: 82 Steel Road, Springs, South Africa
Contact person: David Mokebe
Telephone: +27 11 360 4327
Fax: +27 86 520 4151
Emergency phone: +27 78 272 5120

1. Product Identification

Product: Waste pulp and paperboard
Chemical abstract Number: Not applicable
Chemical number: —
Chemical name: —
UN No.: Not applicable

3. Hazards Identification

Main hazard: Flammable when dried
Chemical hazard: None
Biological hazard: None
Reproduction hazard: None
Health effects (skin): Harmless
Health effects (ingestion): Avoid

4. First Aid Measures

Product ingested: This product is not expected to be hazardous by ingestion. If ingested in large amounts, nausea, vomiting and diarrhea are possible in which case obtain medical advice.

5. Fire Fighting Measures

This applies to material that has dried out:

Extinguishing media: Water, carbon dioxide
Special Hazards: Dry pulp may smoulder internally after dousing flames with water. Ensure the pulp is saturated with water to avoid this.
Protective clothing: Protective suit, self-contained breathing apparatus for avoiding smoke inhalation.

MATERIAL SAFETY DATA SHEET

Product: Recycled Fibre Pulp Sludge
Date: 15 March 2011

6. Accidental Release Measures

Not applicable

7. Handling and Storage

Dry material is flammable; do not expose to sources of ignition.

8. Exposure Control / Personal Protection

There are not any special exposure control and personal protection considerations.

9. Physical and Chemical Properties

Not applicable

10. Stability and Reactivity

| | |
|-----------------------------------|---|
| Stability: | Stable under recommended conditions of storage. |
| Incompatible materials: | None |
| Conditions to avoid: | Exposure of dried material to flames and other sources of ignition. |
| Hazardous decomposition products: | None |
| Hazardous reactions: | None |

11. Toxicological Information

No information available.

12. Ecological Information

No information available.

13. Disposal Considerations

Non-hazardous waste.
Disposal of the product should always comply with local and national regulations.

14. Transport Information

Not classified as hazardous for transport.
