Dear Mr Mahlangu,

Application for the exclusion of a waste stream or portion of a waste stream in terms of National Environmental Management: Waste Act, 2008 (Act No 59 of 2008), as amended.

Coarse soot in beneficial use in the carbon and Alternative Fuels & Resources (AFR) sectors

Please find attached the following documents in support of Sasolburg Operations' application to exclude coarse soot from the definition of waste for the beneficial use in the Carbon and Alternative Fuels & Resources (AFR) sectors:

1. Application form;
2. Production process flow chart;
3. Waste classification;
4. Risk assessment report; and
5. Risk management plan.

The beneficial uses for coarse soot in the carbon and AFR sector are:

1. Replacement material substitute for specialised carbon products
2. AFR

Please acknowledge receipt of this request and advise on our application.

Yours faithfully,

Johann van Wyk

APPLICATION FORM FOR EXCLUSION OF WASTE STREAM OR PORTION OF WASTE STREAM FROM THE DEFINITION OF WASTE IN TERMS OF GN 715 OF 18 JULY 2018.

	(For official use only)
File Reference Number:	12/9/11
NEAS Reference Number:	
Date Received:	

Application for exclusion of waste stream or portion of waste stream in terms of the National Environmental Management: Waste Act, 2008(Act No.59 of 2008), as amended.

Kindly note that:

1. This application form is current as of 18 July 2018. It is the responsibility of the applicant to ascertain whether subsequent versions of the form have been published or produced by the competent authority.
2. The application must be typed within the spaces provided in the form. The sizes of the spaces provided are not necessarily indicative of the amount of information to be provided. Spaces are provided in tabular format and will extend automatically when each space is filled with typing.
3. Where applicable **black out** the boxes that are not applicable in the form.
4. Incomplete applications may be returned to the applicant for revision.
5. The use of the phrase "not applicable" in the form must be done with circumspection. Should it be done in respect of material information required by the competent authority for assessing the application, it may result in the refusal of the application as provided for in the Regulations.
6. This application must be handed in at the offices of the relevant competent authority as determined by the Act and regulations.
7. Unless protected by law, all information filled in on this application will become public information on receipt by the competent authority. Any interested and affected party should be provided with the information contained in this application on request, during any stage of the application process.

Queries must be addressed to the contact hereunder:
