Dear Mr Mahlangu,

Application for the exclusion of a waste stream or portion of a waste stream in terms of National Environmental Management: Waste Act, 2008 (Act No 59 of 2008), as amended.

Riddlings in beneficial use in brick and block manufacturing industry, Alternative Fuels & Resources (AFR) and Road Construction sectors

Please find attached the following documents in support of Sasolburg Operations' application to exclude Riddlings from the definition of waste for the beneficial use in the brick and block manufacturing industry, Alternative Fuels & Resources (AFR) and Road Construction sectors.

1. Application form;
2. Production process flow chart;
3. Waste classification (SDS)
4. Chemical and technical specification (pre-beneficiation) – Type assessment report
5. Chemical and technical specification (post-beneficiation)
6. Risk assessment report; and
7. Risk management plan.

The beneficial uses for Riddlings in the above-mentioned sectors include:

1. Brick making
2. Block making
3. AFR
4. Road aggregate

Please acknowledge receipt of this request and advise on our application.

Yours faithfully,

Brian Loftie-Eaton
